THE  
**RIZNER**

7 PM

**CONCERT SERIES**

We are excited to announce that we will honor former Chorale co-founder and conductor, Howard Rizner, at our March 9 performance of Dan Forrest's *Requiem for the Living*. This will be the inaugural performance of the Rizner Concert Series. Rizner co-founded the Hillsdale Arts Chorale in 1973, and served as conductor until 2008. His legacy includes not only the HAC, but also generations of students whom he impacted through his service in public education. In the spirit of recognizing both his gifts as a community member and teacher, we will invite high school musicians to join us in performing this stunning work. This concert will be a labor of love, but will require financial support to make it happen. After compiling a list of needs for this concert, we are predicting the cost of this concert will be near \$4,000. The concert needs are as follows... **director's score, rehearsal tracks, instrumental parts rental, 60 copies, instrumentalists, flute, oboe, horn, percussion, harp, violin, cello, and organist.**

If you feel compelled to donate to help make this concert happen, we would greatly appreciate your generosity. Along with your donation, you or your business will be listed as a sponsor in our March concert program.
